

Transit Friends:

I need to apologize to Mike Mullaney as an article was submitted to me to be put in the August Transit Tidbit concerning Mike's desire to serve on the DTA Board of Directors. Mike's article was put in the draft copy and when it went to print, it was inadvertently left out. Therefore, please add this article to your August Transit Tidbit.

Enjoy reading about Mike. Jacque

Mike Mullaney
Brookings Area Transit Authority
Brookings, SD

For the past 10 years I've worked in public transit as a driver, driver supervisor, PASS Trainer and currently wear all of those hats along with being the Assistant Director of Brookings Area Transit.

I've been privileged to be a member of DTA for this long as well and understand the mission that Dakota Transit Association serves. I've enjoyed seeing DTA grow over these 10 years and feel I could be a valued asset to the organization. My passion in serving others through accessibility, mobility and great customer care is my strength.

At this time I would like to throw my hat in the ring as a candidate for the 2017-2020 DTA Board of Directors position that is open for South Dakota. Brookings will host the 2018 DTA conference, and I feel that my participation on a board level would be an asset. I am more than willing to serve this association for you. Please feel free to give me a call if you have any questions for me. [605-695-6592](tel:605-695-6592) See you in September!
